

## 1. About Project: **Women's Participation in Elections, Politics, Literature, Democracy in Pakistan**

**Project Description:** This project aims to enhance women's rights, participation, and gender equality in decision-making processes in Quetta district, Baluchistan province. This will be achieved through producing a guiding document, establishing democracy action groups, identifying and implementing necessary actions for gender equality at the district level. The democracy action groups will raise women's voices through consultations with duty bearers, and through artistic expressions, such as films, theater performances, and art exhibitions to achieve key women's participation, increase computerized voter ID registration, as well as the number of women voters, candidates, and elected in the 2023 general elections

**Youth Association for Development (YAD-PAK ) is an equal opportunity employer. Women and persons with disability & minorities are encouraged to apply.**
